DETAILED ACTION

Claim Objections

1. Claims 25-26 are objected to because of the following informalities: The preamble of independent claim 1 sets forth a fixation device. However, dependent claims 25-27 set forth just a device. In order to maintain claim consistency and avoid any confusion, the Examiner suggests amending claims 25-27 to set forth a fixation device as well. Appropriate correction is required.

Claim Rejections - 35 USC § 112

- 2. The following is a quotation of the second paragraph of 35 U.S.C. 112:

 The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.
- 3. Claims 14-15 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.
- 4. There is a lack of antecedent basis for the following limitations:
 - Claim 14, line 1, "the bone cage"

Correction is required.

Allowable Subject Matter

5. Claims 1, 3, 5, 7, 8-13, 17-20, 25-27, and 33 are allowed over the prior art of record.

Application/Control Number: 09/839,562

Art Unit: 3743

6. Claims 14-15 would be allowable if rewritten to overcome the rejection(s) under 35 U.S.C. 112, 2nd paragraph, set forth in this Office action and to include all of the limitations of the base claim and any intervening claims.
